

2024 PROJECT SUBMISSION PACKET

CONTENTS

- Format Requirements
- Judging Criteria
- Important Dates & Deadlines
- Scoring Matrix
- Safety Forms
- Photo Agreement Form

.....

**PROJECT SUBMISSIONS DUE
SEPTEMBER 4**

★ ★ ★ **FORMAT REQUIREMENTS**

1. Each project entry must be submitted in one single .pdf file. Entries will be printed for judging purposes.
2. Please use standard 8.5 x 11-inch size page format.
3. Photos should be included in .pdf submission within the photography section. High-resolution images should also be submitted separately. These images will be utilized in event marketing, project canvases, project highlight video clips, etc. Please follow photography guidelines as outlined in Table of Contents.
4. All entries must follow the Table of Contents (TOC), in the same order listed, as outlined.

★ ★ ★ **JUDGING CRITERIA + WINNER NOTIFICATION**

- Each project may be entered in only one category.
- ABC reserves the right to change an entry's original category or subcategory based on overall submissions. Detailed category descriptions are listed in the project eligibility and application packet.
- Each project entry can earn a total of 100 points. The different sections and point values are listed in the Scoring Matrix with detailed requirements listed in the Table of Contents. Read each section thoroughly and carefully. Your answers and explanations should be clear and succinct, as the quality of an entry's presentation will have an impact on its opportunity to win. Omitting or neglecting information will result in reduced points. The panel of judges includes a cross section of industry experts, including owners, architects, engineers and other professionals.
- Payment must be submitted on or before July 26, 2024 to be submitted for judging.
- Finalists will be confidentially notified prior to the awards banquet if their project has won an Excellence in Construction Award. The awards dinner will be held Thursday, November 7, 2024 at The Gallery in Kansas City, Missouri where the winning projects will be announced. Winning projects of the ABC Heart of America Awards Program will also be eligible to submit their projects in the ABC National Excellence in Construction Awards. Details of the ABC National requirements, submittal details and deadlines can be found at www.abc.org/eic.

★ ★ ★ **IMPORTANT DATES & DEADLINES**

Friday, July 26, 2024 – Application submission & \$375 Fee deadline

Thursday, Aug. 31, 2024 – Date by which construction of the submitted project must be completed

Thursday, Sept. 4, 2024 – Project submission deadline Mid-Sept. – All applicants will receive an email detailing the results

Friday, Oct. 4, 2024 – Sponsorship deadline

Thursday, Nov. 7, 2024 – Winners will be celebrated at our awards banquet from 5:30-9:30 PM at The Gallery at Kansas City's Power & Light District.

2024 EXCELLENCE IN CONSTRUCTION AWARDS

SCORING MATRIX + TOC

Entries can earn a total of 100 points. Each section is valued as indicated below. Entries must follow the following Table of Contents (TOC), in the order listed. Please note attachments and maximum page allowances where required. Detailed list of requirements and clarifications for each section are listed below.

TAB	SECTION NAME	PAGE MAXIMUM	REQUIRED ATTACHMENT	POINT VALUE
-	Overall Presentation	N/A	N/A	5
1	Company Information	-	-	0
2	Contracted Scope of Work	1	-	10
3	Project Narrative	4	-	30
4	Project Safety	-	Project Safety Form + OSHA Form 300A & 300	30
5	Merit Shop Partners	-	-	10
6	References	-	-	5
7	Supplemental Materials and Related Publicity	5	-	2
8	Photographs	-	-	8
Total Points Available				100

OVERALL PRESENTATION >>> 5 POINTS

All uploaded documentation should be legible and pleasing to the eye. Points will be deducted for font that is too small or difficult to read. Points will be deducted for grammatical errors, spelling mistakes and other typographical errors.

TAB 1 || COMPANY INFORMATION >>> 0 POINTS

- Provide historical information of company (year established, founder, etc.)
- Type of work performed
- Special abilities and market niches

This information is for the benefit of the judges.

TAB 2 || CONTRACTED SCOPE OF WORK >>> 10 POINTS

1 page maximum

Samples of contracted scopes may be viewed online at www.abc.org/eic under the application section.

Detailed description of your scope of work for this project.

Include:

- Type of construction
- Type of contract (i.e. Lump Sum, Time & Materials, Construction Management at Risk, Cost Plus, etc.)
- Size of project
- Contract value
- Duration of project
- Percentage of labor that is self-performed
- Describe the opportunities you provided to the construction community to participate based on merit.

TAB 3 || PROJECT NARRATIVE >>> 30 POINTS

4 page maximum

Written narrative indicating why the project is special and qualifies for an award. The focus of the narrative should be the construction (i.e. erection, installation, modification, grade footprint, etc.) of the project. Be sure the documentation is legible when selecting font design and size. Type of contract (i.e. Lump Sum, Time & Materials, Construction Management at Risk, Cost Plus, etc.)

Include:

- Provide a "Project Summary" of approximately 150 words to capture or highlight what makes this project unique and might explain a specific challenge. This will be used or modified when featuring your project in written or audio descriptions.
- Any innovative programs relating to quality control
- Any innovative programs relating to scheduling
- Any value analysis/engineering processes used for the project
- Any special obstacles to overcome in completing the project
- Any difficulties or extenuating circumstances encountered in completing the project
- Any innovating programs or methods related to productivity

TAB 4 || PROJECT SAFETY >>> 30 POINTS

Required attachments: Project Safety form + OSHA Form 300A & 300

- To be eligible to win an award, the company must have a written Safety and Health Policy Manual.
- No project that involves prime, multi-prime or sub-trade contractors with a safety-related fatality is eligible to be considered for an award.
- Complete the Project Safety Form in this project entry guideline booklet.
- No company that experiences a safety-related fatality of a direct employee in the United States within the current program year (September 1, 2023 - August 31, 2024) is eligible for an Excellence in Construction Award. If a subsidiary is a direct ABC member versus part of a larger holding company member, then the subsidiary with a safety-related fatality is not eligible, but another subsidiary of the same holding company may be.
- A company that experienced a safety-related fatality of a direct employee in the United States during the three years before the current program year is required to provide additional information regarding action that has been taken following the fatality.
- No company that experiences a safety-related fatality with the current program year (September 1, 2023 through August 31, 2024) is eligible to submit a project.
- Must include OSHA Form 300A & 300 (project specific, if applicable) for the year(s) the project was under construction, with personal information redacted.
- In order to be eligible to win an award, the company must sign the Drug- and Alcohol-Free pledge found at drugfreeconstruction.org.

TAB 5 || MERIT SHOP PARTNERS >>> 10 POINTS

- List all contractors involved on the project.
- Include ABC members and non-ABC members. ABC will denote current ABC members.
- Include contact information (company name, email, phone number, office location) and a description of each company's involvement percentage of work performed on the project.
- With regard to your scope of work, what opportunities did you provide to ABC members to participate based on merit?

TAB 6 || REFERENCES >>> 5 POINTS

- Include letters of recommendation from third parties involved with the project, such as the owner and design team.
- It is recommended for general contractors to submit letters from the owner or prime contracting entity and the architect.
- It is recommended that specialty or subcontractors submit a letter from the general contractor or prime contracting entity or owner.
- Additional letters are recommended.
- Provide a short description of how the author of each letter was involved in the project.

TAB 7 || SUPPLEMENTAL MATERIALS & RELATED PUBLICITY >>> 2 POINTS

5 Page Maximum

- Miscellaneous supporting material
- Graphics
- Media coverage, newspaper articles, press releases
- Promotional pieces, etc.
- Positive social media posts or coverage
- Awards and promotions
- Special events

TAB 8 || PHOTOGRAPHS >>> 10 POINTS

- Submit up to ten (10) quality photos. For the maximum points, include “in progress” photos for new construction or “before and after” photos for restoration or renovation projects. It is recommended to include photos relevant to the challenges and solutions mentioned in the project narrative section.
- Provide a short descriptive caption for each photograph on a separate sheet; do NOT include wording on top or embedded in the photos.
- Do not upload photos embedded in PowerPoint, Word or Acrobat programs.
- Still photos only; no videos will be allowed.
- Review your photos to ensure there are no safety violations.
- If any submitted photos were taken by a third-party photographer, the photographer’s authorization to use the photos is required. Use the required agreement in this project entry guideline booklet giving ABC permission to use the photos.

Required: All photos used in this section should also be submitted as individual images in .jpg or .tif form. High resolution photos only please (minimum 300 dpi). Please name/label photos (company name, project name, type).

PROJECT SAFETY FORM

1. Did this project have a safety-related fatality? Yes No
If Yes, this project is not eligible.

2. Did the applying company have a safety-related fatality within the current program year?
If Yes, this project is not eligible. Yes No

3. Did your company have a safety-related fatality within two or three years of the current program year?
If yes, answer the questions below. Yes No

*What was the violation type as determined by OSHA (i.e. Willful, Serious, Repeated, Other-than serious, No violation was cited)?

*Date and location of incident

*Were there any fines, citations or penalties issued? If so, by whom (i.e. OSHA, Police, Department of Transportation, etc.)?

*Provide a written report up to five pages that details the following:

- A full account of the incident and the investigation.
- What corrective actions were taken immediately?
- What corrective actions were taken culturally?
- How was accountability addressed?
- What procedural changes were made?
- Was there an overall evaluation of the company safety policies, and if so, what changes were made?
- If the fatality occurred within two or three years prior to this program year, provide details as to how your company has implemented the changes discussed above and how it has affected the overall safety performance.

4. Is your firm a 2024 STEP Safety Management System award recipient? Yes No
If Yes, Diamond Platinum Gold Silver Bronze Participant
If Yes, include a copy of your certificate or for more information about STEP, visit www.abc.org/STEP.

5. Include copies of the OSHA Form 300 and OSHA Form 300A for your company (project specific, if available) for the year(s) the project was under construction with personal information redacted.
If omitted, your company is not eligible.

6. Has your company signed the Construction Coalition for a Drug- and Alcohol-Free Workplace's pledge at drugfreeconstruction.org?
If no, your company is not eligible. Yes No

7. Does your company have a written Safety & Health Policy Manual? Yes No
If Yes, include table of contents or a one-page summary.

PROJECT SAFETY FORM

8. Indicate the following details and then calculate the project's Total Recordable Incidence Rate (TRIR)*:

*Total man-hours for all disciplines included in your contract on this project:

*Company NAICS and SIC codes:

*Number of OSHA recordable accidents on this project:

*Number of OSHA job transfer or restriction day cases on this project:

*Number of OSHA days away from work cases on this project:

*Compute the project's Total Recordable Incidence Rate:

TRIR = Number of recordable accidents x 200,000 / total man-hours for this project:

General contractors and construction managers must also include all specialty contractors' hours & recordables on this project.

9. If a general contractor or construction manager, do you require accident reports from the specialty contractors?

If Yes, include process on separate page. Yes No

10. Were toolbox safety meetings held with employees? Yes No

Were these meetings documented? Yes No

If Yes, how often?

Include 1 page summary or up to 2 actual examples.

11. Did your company regularly establish pre-task safety planning prior to beginning work on this project?

If yes, provide at least one example. Yes No

12. Did you develop a site-specific Safety & Health Policy Manual?

If Yes, include table of contents or a one-page summary. Yes No

13. Did your company have a process in place to record near-miss cases on this project?

If Yes, provide supporting documentation of this process and how your company uses this information.

{NOTE: This does not indicate near-misses occurred} Yes No

14. Does your company have a written substance abuse policy?

If Yes, include table of contents or a one-page summary. Yes No

15. Was specialized training conducted on this project?

If Yes, include types of training on separate page. Yes No

16. Does your company conduct a new employee safety orientation?

If Yes, include a copy of the agenda. Yes No

17. Provide the project's organizational chart identifying the person responsible for safety.

18. Additional information regarding any innovative safety and health programs used on this project or the company's overall safety program may be included.

Provide the below information about the person responsible for safety on this project and attesting to these accident rates:
